

# Common Core Mathematics How does it all add up?

**A Presentation for Parents, Teachers,  
Community Members, and K-12 Educators**

**Wednesday, November 13, 2013  
Mary Stuart Rogers Theatre  
Gallo Center for the Arts  
7:00 — 8:30 p.m.  
FREE**

## **Attend and Learn:**

- ◆ **How my child will be prepared for college and career with Common Core Math Standards.**
- ◆ **How junior high and high school mathematics courses are changing to align with Common Core Math Standards.**

Pam Able, Superintendent of Modesto City Schools, will introduce the keynote speaker, David Foster.

David Foster is the executive director of the Silicon Valley Mathematics Initiative (SVMI) comprised of member districts in the greater San Francisco Bay Area providing services in New York, Illinois, Massachusetts, Ohio, Tennessee and Georgia. SVMI is affiliated with programs at University of California, Berkeley, Stanford University and San Jose University. David taught mathematics and computer science at middle school, high school, and community college for eighteen years. He works part-time for San Jose State University and is a consultant to the Urban Math Leadership Network that works with the 25 largest school districts in America.

**This event is hosted by Modesto City  
Schools and co-sponsored by  
Stanislaus County Office of Education.**
